

# TECHNICAL DATA SHEET

## SUNSHINE CLOTH – Polishing cloth

---

### Description

Sunshine cloth is impregnated with special micro-abrasives and a cleansing agent,; it removes tarnish and grime to leave a lustrous, long-lasting finish. The long-lasting cloth keeps effectively polishing until it is worn through. Made exclusively for Rio Grande.

Packaged in a convenient tube, it makes a great appreciation gift or add-on sale

### Versatile Uses

Your customers will love the results they get on all precious metals, base metals, wood, ceramic, hard plastic and mirrors. Sunshine® cloth is the perfect accessory to brighten everything!
